

April 25, 2023

Dear 4-H Campers (ages 9-13 as of first day of camp),  
(JCIT's age 15 DO NOT sign up for camp classes, as they will take the CIT class at camp.)

Thank you for registering to attend 4-H Summer Camp with us on July 3-7! Like last year, **CAMP CLASS SIGN UPS will take place ONLINE** prior to camp! (There is a paper option if you don't have internet.) Please read the following information carefully to choose your classes.

**Included with this letter are:**

- Class List and Descriptions
- Class Selection Form (for those who do not have online access)
- Online Instruction Form

**4-H Camp Class Sign Up Online Option**

1. The 4-H Camp Class sign up link is:  
<https://www.signupgenius.com/go/4hsummercamp2023classes>
2. Helpful hint: online class sign ups are easier to do on computer than cell phone. See inserted page with instructions to follow.
3. **This online link will go live on Monday, May 1 at 12 PM (noon)** and closes Monday, May 15 at 12 PM (noon). *The sooner you can sign up on the live link that starts May 1st, the better the chance to get the classes you prefer!*
4. **\*\*\*IMPORTANT\*\*\*** Everyone will sign up for 3 classes. There are 3 tabs in the sign up link (at top of webpage), labeled Class 1, Class 2, and Class 3. **Please select 1 class for each tab.** After selecting a class on each tab, you will be prompted to type in camper's name and email before moving to the next class tab.
5. PLEASE SIGN UP WITH CAMPER'S FIRST AND LAST NAME AND NOT AS THE ADULT WHO IS COMPLETING THE SIGN UP!!! (To change from adult name to camper name, please check the box that says "Display as alternate name" and then type camper's first and last name.)
6. **Families with siblings will need to complete online link separately for each child and using a SEPARATE EMAIL.**

University of Kentucky  
College of Agriculture,  
Food and Environment  
Cooperative Extension Service

4-H Youth Development

### **Do not have online access?**

Never Fear! Fill out the enclosed "Class Selection Form" and return to the Fleming County Extension Office, 1384 Elizaville Rd and we will help you out!

We will input those classes for you, first come/first serve as quick as reasonably possible after the link goes live! Turn the form in before May 1<sup>st</sup> for quickest class sign up!

\*\*\*Note – campers will only be registered in 3 classes. The selection form has 8 class options listed for us to know what class options we should move to if camper's top 3 choices are full.

Thank you for your help in making camp the best ever!!

Sincerely,

Staci Thrasher  
Fleming CEA for 4-H Youth Development
