ELIGIBILITY REQUIREMENTS

- The applicant must be an enrolled 4-H member in good standing in his/her county. Youth who have reached their nineteenth birthday before January 1, 2024 are not eligible to apply.
- The applicant is required to have participated and been a 4-H member in Kentucky for at least one year.
- The application should report on 4-H specific activities, events, or projects unless otherwise noted.
- An activity, event, project, or program may only be used once in one area per program year.

DIRECTIONS FOR COMPLETING APPLICATION

In the 4-H Achievement program, points are earned in five categories: leadership, civic engagement, communication/marketing, community action, and participation. On the application:

- 4-Hers may record all qualifying entries from ages 9-18 years old (see 4-H age policy). Cloverbud activities are not eligible and should not be included on the Achievement application.
- Since points accumulate each year, it may be necessary to add additional rows to record entries. To add rows: click in the row above the area needed to add a row, click the 'layout' tab at the top, and click on 'insert below'. Note that although rows may be added, additional categories and/or areas may not be added.
- Descriptions for entries should be short and concise.
- An entry may include participation on the county, multi-county/area, state, and national level. These can be recorded on the same line. Note C = County; M/A = Multi-County/Area; S=State; N=National.
- The category under each section is limited to two entries per year.
- Each entry must be completed in its entirety for points to be awarded for that entry.

Calculating Points

1. Do not enter zeros, leave boxes blank.
2. At the end of each area, there is a place to enter that area's totals.
3. Totals should include all entries in that area from current and previous years.
4. Record all area totals in the table at the end of each category.
5. After the application is complete, record the category totals in Table 1.

Note: A Profile Page (see page 2) is only required for those applying for Bronze, Silver, and Gold Achievement Levels (this is not required of those applying for Clover Level 1, 2, or 3 Levels).
